# Classic Glamour

Super Hylam is a young dynamic and fast growing high pressure laminate manufacturing company. It has carved a niche for itself and laminate brands in the country with quality second to none. Each Super hylam product is certified by bureau of Indian Standards IS : 2046.1995. Our laminates are manufactured at world class facility equipped with imported machinery and each design paper is made on highly stable pigments which guarantee longevity and ensure that the product looks great after years of wear and tear.

PREMIUM LAMINATES BY  
**Super Hylam**<sup>®</sup>  
Driven by Quality

“ A brand has an impact on the community and individual as whole. Designs are reflections of individuals, so decors must be warmer, softer and most important be wellness centric. In our Super hylam's 7 Series for furniture and cabinet liners, we have included new decors that are multifunctional as well as flexible to adapt quickly to different requirements for both inside and outside application creating a sense of soothing as well as a softer feeling in interior designing. ”
